Fire season preparation & maintenance.

Trucks	<p>Checked the trucks and gear. Drove trucks to the junction of the rivers and tested the pumps and hoses. Reviewed pumps and valve operation on each truck. Refilled trucks from river to test suction and pump equipment.</p>
New Engel portable fridges	<p>The 3 new Engel fridges for the trucks that were provided under the RFS Grant were unpacked and handles and covers put in place. Possible installation points on trucks discussed.</p>
